Report of Principal and School Improvement Council

Seaside Elementary School is a family centered school that celebrates the triumphs and successes of our students and staff as well as support each other in times of need. Stingrays Strive for Excellence was the theme for the 2012-13 school year. Students, staff, parents and community members worked together to achieve our goal of fostering successful life-long learners.

The use of a core reading program continued in Pre-K-4 and was extended to include fifth grade. DIBELS information guided instruction for kindergarten, first, and second grade students and the MAP assessment supported differentiation for students in grades two through five. Small group interventions were provided to the students throughout the school day and in the afternoons in reading, math, and writing. The use of workstations continued to support our reading instruction. To accelerate mathematical problem solving skills, selected students in grades 3-5 participated in the Mentoring Mathematical Minds program. Leveled instruction in math was also provided for students in grades 3-5. Selected fifth grade students participated in the Math Olympiad program and an on-line pre-algebra program. The use of instructional technology has been enhanced with the addition of Short Throat Arms and the iPad.

Many extensive activities were planned to support student learning in all grade levels at Seaside. The PTO supported our Family Reading Night where parents and students read books together, took Accelerated Reader tests, and used the computers for research, reinforcement or enrichment. Students were selected to provide leadership in our school through our Junior Safety Patrol, Student Council and the Spirit Team programs. Our fifth grade chorus performed concerts in our school and participated in a district-wide concert entitled "Waves of the Future".

To enhance our students' understanding of community and school interactions, all classes were involved in Junior Achievement. Sixty fifth grade students participated in our Junior Lifeguard Program. Students also participated in many service-learning projects including the Family Fun Run, Relay for Life, Fostering Hope, a Thanksgiving Food Drive, a Food Drive for Homeless Animals, Jump Rope for Heart, a fund to support the Carolina Forest Elementary Fire Victims, and a school-wide Recycling program. Our School Improvement Council began a clothes closet for needy families.

Throughout the school year, staff members met to plan and exchange ideas to improve classroom instruction and implement district initiatives. All teachers were involved in professional development, which helped us meet the diverse needs of our students.

Beth Selander, Principal, 2012-13

Melanie Leonard, School Improvement Chairperson, 2012-13

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	90.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Seaside Elementary School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☒ Non-Title I School – therefore the designations above are not applicable.
